Miscellaneous Appeal U/s 19 of the Family Courts Act 1984

Present: Ms. Deepali Pandey, counsel for the appellant.

**ORAL ORDER
(Passed on 11TH July, 2007)**

The following oral order of the Court was passed by
Dilip Raosaheb Deshmukh, J.

Learned counsel for the appellant submitted at the very outset that she would not argue on merits in this matter and would seek permission to withdraw this appeal with liberty to request the executing Court to allow conciliation between the parties because the appellant herein being father-in-law of respondent No.1, is willing to transfer title and possession of the lands which had fallen to the share of his son late Tejram to the respondent No. 1, his widowed daughter-in-law so as to enable her to maintain herself and her minor daughter.

Accordingly, the appeal is dismissed as withdrawn with liberty as prayed.
